

Why *Bentley* pontoons, you ask?

**GUARANTEED  
SATISFACTION!**

Bentley Industries manufacturers a full line of high quality pontoon boats affordable to the average person to accommodate the needs of the recreational boater or the fisherman. We feel so positive about our product that with Bentley pontoons you are guaranteed:

- A lifetime warranty that is transferable one time on the deck
- A lifetime warranty on the tubes
- A lifetime warranty on the all aluminum transom
- A 5 year warranty on the carpet
- A 5 year warranty on the seats and coverings

Bentley pontoons work directly with Mercury motors to provide packages at the lowest price possible. What more could you ask for? Well there is more. Bentley pontoons are Coast Guard approved by the American Boat and Yacht Council and certified with the National Marine Manufacturer Association. We know that with Bentley's dedication to dealer services, customer satisfaction and high quality products that we will grow to be one of the most successful pontoon manufacturers in the boating industry.

*Where Your Dreams Are Our Goals*

**MERCURY**  
#1 On The Water

Welcome to *Bentley* Industries

Bentley Industries was a vision in a businessman's eyes and became an accomplishment in January 2003. Steven Deese, founder, president and chairman of the board incorporated Bentley Industries in July 2002 with a dream of opening up his own pontoon boat manufacturing plant. His goal is to establish retail partners throughout the United States and become the largest pontoon manufacturer in the boating industry. We believe that with the knowledge and experience of currently being a boat dealer that this goal is possible and will be accomplished within 5 years.

Bentley Industries is located at 8000 Wilson Blvd. in Columbia, SC. The plant operates in 125,000 sq ft of buildings on 8 acres of land with an additional 12 acres adjoining the property for future development. At Bentley Industries, our achievement is to manufacture what we believe to be the finest boats at an affordable price to fit **YOUR** family's needs.

25% of earth is dry land,  
let *Bentley* show you the rest
